

Dear Jane:

My name is Marianne Peabody and I am a property owner a 551 Groton Hollow Rd. , Rumney NH.

The last bit of information I received regarding the access to the Groton Wind Farm was access by Groton Hollow Rd. I am not sure if you are aware of the fact that the end of Groton Hollow Rd is a private ROW. This section begins at the Corsey Dr. The Corsey Dr. is where the Town of Rumney Town owned road ends.

I am not in favor of access to the site by way of the private ROW, and I hope your Site Evaluation Committee recognizes that the end of Groton Hollow Rd is not a public way. I am also very concerned with the property values, and noise contaminants this project will bring to the direct abutters.

I attended one Selectmens meeting with a representative of the Groton Wind Farm Project and was not impressed with the completeness of the proposed plans.

If I may be of additional assistance please feel free to contact me at [mplr@roadrunner.com](mailto:mplr@roadrunner.com) or 726-3914.

Thank you  
Marianne Peabody
