Dear Mr. Emmett,

I write this letter on behalf of the Board of Selectmen.

The Board is in receipt of your letter of January 11, 2013, and they look forward to meeting with you on January 28th to discuss their concerns further.

However, due to the importance of the matter in Paragraph 1 in your January 11th letter the Board felt it could not wait until then to be addressed.

1. Although Section 8.2.1 referenced in our letter was not in the actual Rumney agreement, the Groton agreement was part of the SEC permitting process and the roads were addressed in it.
2. The Town of Rumney is responsible for responding to emergencies to that part of Groton.
3. As each day goes by the chance of heavy snow increases. Those roads need to be plowed, sanded and accessible for emergency vehicles.

Thank you for your prompt attention to the Board's request.

Sincerely,

Anne B. Dow
Administrative Assistant
