Re: AGENDA FOR PREHEARING CONFERENCE ON MAY 7, 2013

As scheduled in the Prehearing Conference Order of April 1, 2013, a further prehearing conference will be held on May 7, 2013 at 1:30 p.m. The further prehearing conference will be held at the offices of the Public Utilities Commission, 21 South Fruit Street, Suite 10, Concord N.H. in Hearing Room B. The further prehearing conference will commence at 1:30 p.m.

On April 24, 2013 a meeting of safety official occurred in Groton N.H. That meeting resulted in the commencement of an ongoing process to draft a complete safety and maintenance plan for the Facility. The safety plan will not be addressed at the further prehearing conference.

The further prehearing conference will address the remaining contested issue pertaining to the location of the operations and maintenance building at the Facility. The further prehearing conference will begin with settlement discussions. If settlement discussions are not fruitful the further prehearing conference will address discovery and scheduling issues.
