**CORRECTED PROCEDURAL ORDER AND NOTICE  
OF FINAL PUBLIC HEARING ON THE MERITS**

**To Groton Wind LLC: You are hereby notified that the Site Evaluation Committee has received correspondence alleging that you are operating the Facility in the above referenced docket in violation of the terms and conditions of the Certificate of Site and Facility. The proceedings described herein may result in a determination that you are in violation of the terms and conditions of the Certificate of Site and Facility issued in this docket (and the Decision underlying such Certificate). If found to be in violation of the Certificate or Decision, the Certificate may be suspended and/or revoked pursuant to the provisions of RSA 162-H: 12, RSA 541-A: 30 and RSA 541-A: 31.**

A Procedural Order and Notice of Final Public Hearing on the Merits (Procedural Order) was issued in this docket on March 30, 2015. The Procedural Order identified issues currently pending in this docket, scheduled a final merits hearing, and set forth the process for addressing pending issues during the final hearing. The Procedural Order mistakenly stated that there is no pending testimony before the Committee in this docket. Based on that determination, the Procedural Order stated that the Committee will not take evidence at the hearing on the merits.

A review of the docket demonstrates that the Applicant filed the testimony of Peter J. Walker in support of its motion to amend the certificate of site and facility. Therefore, the Procedural Order issued on March 30, 2015 is corrected and amended to state as follows:

**On April 20, 2015, the Committee will hold a public hearing to resolve all outstanding motions and issues in this docket. The issues to be resolved are:**

- 1. The Applicant's motion to amend the Certificate; and**
- 2. The Applicant's motion to approve the agreement with the Town of Groton;  
and,**
- 3. The Applicant's Environmental Health and Safety Plan; and,**
- 4. Counsel for the Public's motion to approve the Settlement Agreement; and**
- 5. The Fire Marshal's Compliance Agreement;**

**On December 4, 2013, the Applicant filed the testimony of Peter J. Walker in support of the motion to amend the certificate of site and facility. Therefore, Mark Watson and Counsel for the Public will be given the opportunity to cross-examine Mr. Walker. Thereafter, the Committee will hear oral argument from the parties. Upon the conclusion of oral arguments the Committee may deliberate with regard to final resolution of all issues in this docket.**

**All other aspects of the Procedural Order and Notice of Final Hearing on the Merits dated March 30, 2015, shall remain in full force and effect.**

**The Public Hearing will be held on April 20, 2015 at the offices of the Public Utilities Commission located at 21 South Fruit Street, Suite 10, Concord, N.H. 03301. The hearing will commence at 10 AM.**

The authority for this hearing is RSA 162-H: 4, II.
