Dear Mr. Thomas S. Burack,

My name is Elsa Voelcker and I have lived in my house in Antrim since 1983. I feel that our town has been writing its own zoning ordinances for thirty years and is capable of ruling on this wind project: Docket Number 2011-02, Antrim Wind Energy, LLC. The town has recently voted in two new members to the planning board who have some expertise regarding wind energy and wish the time to formulate policy.

I feel Antrim Wind energy has been acting underhandedly playing off our zoning board against our planning board and getting one selectman to write you a letter when the other selectmen did not agree. You may end up having this put back to you but give us a chance first.

Sincerely,

Elsa Voelcker
