Re: Docket Number 2100-02
Petition for Jurisdiction Over Renewable Energy Facility
Proposed by Antrim Wind Energy LLC

To The Committee:

This letter is in support of the Antrim Wind Energy Project as proposed by Eolian Wind. I support, as well, the request by the Antrim Selectboard that the Committee take full jurisdiction over the project. The Antrim Planning Board has become aligned with the minority of townspeople opposed to the project and can no longer claim to represent a majority of Antrim citizens.

Thank you,

Stuart Gross
