

State of New Hampshire
Site Evaluation Committee

Docket Number 2011-2012

**Re: Petition for Jurisdiction Over
Renewable Energy Facility
Proposed by Antrim Wind Energy LCC**

Testimony of Janice Duley Longgood

May 20, 2011

Q. Please state your name and address.

My name is Janice Duley Longgood, I reside at 156 Salmon Brook Road in Antrim, New Hampshire 03440.

Q. Are you familiar with the proposed Antrim Wind Energy, LLC project that is the subject of this docket:

I am familiar to the AWE project and have been involved as a citizen directly affected by the project living within $\frac{1}{4}$ to $\frac{1}{2}$ a mile from the proposed wind energy facility and am a direct abutter to land leased by AWE.

Q. What is the purpose of your testimony?

I have been a resident of Salmon Brook Road for 26 years. When my property was purchased it was with Protective Covenants, Restrictions and Easements which have since been protected by the Rural Conservation District in Antrim NH.

I believe that the NH tradition of local control should be upheld. There is a newly elected planning board that is in the process of developing a comprehensive plan to address renewable energy facilities. I believe that the citizens of Antrim are fully capable, mature and knowledgeable to be able to decide on the merits of an AWE proposal if an application is put forth.

I urge the SEC to reject the request for jurisdiction over the Renewable Energy Facility proposed by Antrim Wind Energy LLC.
