The meeting shall be held in Hearing Room A at the offices of the New Hampshire Public Utilities Commission, 21 South Fruit Street, Suite 10, Concord, New Hampshire.

On February 10, 2011, the Committee received a letter from Gordon Weber, Chairman of the Board of Selectmen of the Town of Antrim, Hillsborough County, New Hampshire requesting, on behalf of the Selectmen, that the Committee take jurisdiction of the review, approval, monitoring, and enforcement of compliance in the planning, siting, construction, and operation of a renewable energy facility proposed to be developed by Antrim Wind Energy, LLC and located in the Town of Antrim. On March 11, 2011, Antrim Wind Energy, LLC (Petitioner), filed a Petition for Jurisdiction Over Renewable Energy Facility Proposed by Antrim Wind Energy LLC (Petition). Antrim Wind Energy, LLC, proposes to site, construct, and operate wind turbine facilities (Facility) to be located in the northwest portion of the Town of Antrim from the east summit of Tuttle Hill to the flank of Willard Mountain to the west. The Petitioner asserts that the Facility will be located on a mostly contiguous ridgeline running east northeast to west southwest, and nearly parallel to New Hampshire Route 9, which is approximately 3/4 of a mile to the north. The Petitioner also asserts that the Facility may consist of 10 turbines in the 2 MW size class. The Facility is expected to have an installed nameplate capacity of greater than 5 MW but less than 30 megawatts. The Petition also asserts that the Petitioner expects to file a full application for a Certificate of Site and Facility prior to the end of 2011.

On June 1, 2011, the Committee commenced an adjudicatory proceeding in this docket. Unfortunately, the Committee was unable to conclude the proceeding. There was insufficient time for the presentation of evidence and testimony to the Committee. Therefore, the proceeding was recessed to the call of the Chair. of the Public Utilities Commission, Hearing Room A, 21 South Fruit Street, Suite 10, Concord New Hampshire. The Committee will continue to take testimony and evidence and, if appropriate, proceed to deliberate on the merits of the Petition.
