**STATE OF NEW HAMPSHIRE
SITE EVALUATION COMMITTEE**

RE: Application of Antrim Wind Energy, LLC)
for a Certificate of Site and Facility for a)
Renewable Energy Facility to be Located)
In Antrim, Hillsborough County, New Hampshire)
SEC Docket Number 2012-01)

**MOTION TO INTERVENE *PRO SE*
OF RICHARD BLOCK AND LORANNE CAREY BLOCK**

Pursuant to the New Hampshire Site Evaluation Committee Rules Site 202.11, Richard Block and Lorraine Carey Block hereby move for permission to intervene *pro se* in the above-referenced proceeding. In support of its Motion to Intervene, Richard Block and Lorraine Carey Block offer the following arguments:

- (1.) Richard Block and Lorraine Carey Block can demonstrate a substantial interest which may be affected by the outcome of the proceeding.**

Richard Block and Lorraine Carey Block are residents of the North Branch area of Antrim, owning and residing on approximately 230 acres of land, approximately one-half to one mile from and directly facing and in full view of Tuttle Hill, the proposed site of the renewable energy facility. In addition, they have been actively involved in the arguments against the siting of Antrim Wind Energy, LLC's meteorological tower on the summit of Tuttle Hill since their initial application was entered, and are the plaintiffs in two pending suits against the Town of Antrim over the approval of variances for the tower and court-approved Intervenor in a suit brought by Eolian Wind Energy against the Town of Antrim over the denial of a Site Plan Review (New Hampshire Superior Court Docket Numbers 216-2010-EQ-00245, 216-2010-CV-00553, and 216-2011-CV-00686.)

- (2.) The interest of Richard Block and Lorraine Carey Block will not be adequately protected by other parties.**

In exercising its discretion, we respectfully ask that the Committee consider whether the party's interest will be adequately protected by other parties. Since we, as residents of the North Branch region of Antrim where the proposed wind facility would be constructed, do not feel that our interests and concerns have been addressed thus far in proceedings by the Town Boards of Antrim, we do not believe that any other party to this proceeding can adequately represent our interests in proceedings before the Committee.

- (3.) The intervention of Richard Block and Lorraine Carey Block will be in the interest of justice and will not impair the orderly and prompt conduct of the proceedings by allowing the intervention.**

Pursuant to the SEC Order of March 20, 2012, Richard Block and Lorraine Carey Block file this Motion to Intervene by the deadline set forth by the Committee for Docket 2012-01 and request that

we be permitted to intervene with full standing to participate in all phases and activities of the proceeding. We respect the importance of conducting this proceeding in an orderly manner that will not unduly delay the Committee or the parties in reaching an outcome. We are prepared to work closely with other parties to the proceeding in the interest of maintaining order and respectfully offer that our participation, if permitted, would be in the interest of justice.

Dated this 28th day of April, 2012.

Respectfully submitted,
