**Re: Timbertop Wind I, Petition for Jurisdiction
NHSEC Docket No. 2012-04**

Dear Attorney General Delaney:

I am writing to you in my capacity as Chairman of the Site Evaluation Committee. On December 21, 2012 the Committee received a petition from Timbertop I, LLC asking the Committee to assert jurisdiction pursuant to RSA 162-H over a 15 MW wind energy facility project proposed to be sited, constructed and operated in the towns of New Ipswich and Temple, Hillsborough County, N.H. While a formal Application for a Certificate of Site and Facility has not been filed, I do invite you to appoint counsel for the public in this docket. The matter of jurisdiction will be preliminarily addressed at the Committee's public meeting scheduled on February 19, 2013.

Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in black ink, reading "Thomas S. Burack", is positioned above the typed name.
