

**THE STATE OF NEW HAMPSHIRE
SITE EVALUATION COMMITTEE**

RE: Petition of Timbertop Wind 1, LLC
for Jurisdiction

Docket No. 2012-04

**RESPONSE OF COUNSEL FOR THE PUBLIC TO MOTION FOR
RECONSIDERATION**

Counsel for the Public, by his attorneys, the Office of the Attorney General, hereby responds to the Towns' Motion for Reconsideration.

Counsel for the Public believes that the Committee had before it sufficient information at the time of the hearing to make a decision on the Petition. However, Counsel for the Public takes no position on the legal question presented by the Motion for Reconsideration, except to say that it appears to be an important legal issue which may have farther reaching effects in the administration of state government. As such, Counsel for the Public suggests that the Committee work closely with the Attorney General in his capacity as counsel to the State and its executive branch agencies in all civil legal matters pursuant to RSA 21-M:2, II, to determine this legal issue.

Respectfully submitted,

COUNSEL FOR THE PUBLIC

By his attorneys

MICHAEL A. DELANEY
ATTORNEY GENERAL
