Subject: Request for Moratorium

Dear Mr. Drew,

I would like to request your support for a moratorium on wind turbine projects in New Hampshire, particularly the Wild Meadows Wind project, proposed for Alexandria, Danbury and Grafton.

I am requesting this moratorium be considered as I have concerns related to the negative impact this will have on our local economy and public health of our community, as well as impact to the Newfound watershed and wildlife environment. The negative consequences of these industrial wind turbines far outweigh the benefits.

I think you will find that the vast majority of our residents feel as I do. I hope you will listen to our concerns.

Sincerely,

Chris and Halle Neeb
