Subject: NO Industrial Turbines in NH

Dear State Legislator,

We would like to inform you that we are opposed to the Wild Meadows Industrial Wind Turbine project proposed for the Newfound Lake region. We are also opposed to allowing Industrial Wind Turbine projects anywhere in the State of New Hampshire.

We reside in Alexandria, NH and own vacation property on Newfound Lake. Newfound Lake is one of the most pristine lakes in the world. The turbines would be in the Newfound Water Shed area. This could have a negative impact on the lake. No studies have been done to make sure the lake will be protected.

We are opposed to Industrial Wind Turbines anywhere in the State of New Hampshire and strongly urge you consider approving **HB580- establishing moratoriums on wind turbine plants and electric transmission line projects** - 02/19/2013 at 01:00 PM Representatives Hall and **HB484 - requiring public approval prior to issuance of certain site evaluation certificates** - 02/19/2013 at 02:30 PM Representatives Hall during the **NH State Legislative Bills Hearing on February 19, 2013**

Sincerely,

Ronnie & Lorna Souza
167 Berry Farm Road
Alexandria, NH 03222
