Subject: Asking for A Little Time

To the Members of the NH Science, Technology, and Energy Committee:

As a concerned resident of Bridgewater, NH, I sincerely request that you watch this short video (8 minutes long)... it was created by several residents who are asking for you to vote in favor of House Bill 580. I would like to voice my support for this bill.

Thank you, in advance, for your time and consideration.

Best regards,

Kate Blair
