**Subject:** Wild Meadows Wind Farm

I am a Danbury NH resident and I am opposed to the Wild Meadows Wind Project that is proposed for my town and the towns of Alexandria and Grafton. Please do not allow this project to go forward. It would eliminate the character of this great small town and do irreversable damage to to delicate wet lands that are watershed to the Smith River and beyond . Please Stop this GREED energy from overtaking our town.

Respectfully,  
Cheryl A. Duboyce

Danbury NH
