**To:** Drew, Tim  
**Subject:** Wild Meadows Wind Farm

Dear Sir:

This letter is to tell you of my opposition to the Wild Meadows Wind Farm. You would be bored by the end of this letter if I was to list all the reasons it does not belong in Alexandria, or any other state in the Northeast. But a few are: they are not green, they will be too close to homes, the views and Newfound Lake are too important to lose.

Thank you

--

Wishing you joy & sunshine  
Deb
