Attorney David Wiesner
Site Evaluation Committee
Public Utilities Commission
21 S. Fruit Street
Concord, NH 03301

Dear Attorney Wiesner,

I am writing to state my full support for the rules on Public Interest (301.16) and Cumulative Impacts (301.14) written by the Site Evaluation Committee and submitted to JLCAR for approval. I attended every SEC Rulemaking Meeting except one Technical Session and I understand the time given by the Commissioners to writing those rules. "Wordsmithing" will be forever ingrained in my memory. The SEC went to great lengths to ensure they were following the instructions of SB 245 and trying to strike the balance requested, while listening to the public and energy companies. I think they did an admirable job in those specific rules and urge you to **MAKE NO CHANGES TO THEM!**

Thank you,

Sincerely,

Dorothy McPhaul
