**Request for Advance Public Comment on  
Subject Matter of Future Rulemaking Initiative**

**Notice of Applicable Deadline**

**September 8, 2014**

On August 18, 2014, the Site Evaluation Committee posted a notice regarding its request for advance public comment on the subject matter of a future rulemaking initiative to address the effects of recently enacted legislation. This notice did not reference the applicable deadline of September 30, 2014 for submission of written comments, as specified in the Request Notice published in the Rulemaking Register on August 14, 2014.

**The applicable deadline for submission of written comments is September 30, 2014. The Committee will, however, review and consider to the extent possible written comments submitted after such date while proceeding with preparation of an initial rulemaking proposal for adoption later this year. The current anticipated timeframe for initial proposal adoption is November 2014.**

The Committee reiterates its particular interest in receiving input in the form of specific proposed rules language from a diverse group of stakeholders. Submissions by electronic mail are strongly preferred. Please submit all comments to the following contact person:
