

3/23/2015

My name is Jeff Bird, I am a state employee and a resident of Bridgewater NH, I am writing this to beg you to please consider the feelings of NH residents over the corporations that wish to mar our beautiful natural landscape with these wind farms. please help us. there is an appropriate place for these wind farms, but not any place these foriegn companies decide they can make the most \$\$\$. thank you. Jeff Bird.
