**Re: Rulemaking Notice 2015-12
Site 205 and Site 300 - Explanation of Proposed Rule and Certificates
of Site and Facility Rules of the Site Evaluation Committee
SEC Docket No. 2014-04**

Dear Mr. Eaton:

Pursuant to RSA 541-A:40, IV, the Site Evaluation Committee hereby requests waiver of the deadline and extension of the period for filing a final rulemaking proposal with respect to the revision of N.H. Code Admin. Rules Site 205 and Site 300, Explanation of Proposed Rule and Certificates of Site and Facility Rules of the Site Evaluation Committee. The 150-day period for filing of this final proposal under RSA 541-A:12, I would expire on July 6, 2015 in the absence of such a waiver and extension.

The Committee believes good cause exists for a waiver and extension of said deadline for a period of ninety (90) days, until October 4, 2015, because the General Court has recently adopted legislation, Senate Bill 170, that would extend the deadline for adoption of final rules by the Committee until November 1, 2015. We believe the legislature extended the timeline for this rulemaking initiative in order to provide further opportunities for public input and in recognition of the complexity of the substantive issues to be determined by the Committee through the rulemaking process.

Thank you for your attention to this request. If you should have any questions regarding this filing, please contact David Wiesner, NHPUC Staff Attorney, as contact person for the Committee.

Sincerely,
