

THE STATE OF NEW HAMPSHIRE

SITE EVALUATION COMMITTEE

Docket No. 2014 – 05

Re: Antrim Wind Energy, LLC

PETITION FOR INTERVENTION BY
BRENDA SCHAEFER, MARK SCHAEFER and NATHAN SCHAEFER

Pursuant to New Hampshire Site Evaluation Rules Site 202.11, Brenda, Mark and Nathan Schaefer Hereby move for permission to intervene in the above referenced proceeding. In support of our Request we offer the following the following arguments:

- {1} Our property, 128 Salmon Brook Road, has a shared boundary with AWE's proposed project. We are direct abutters and will have close physical and visual contact with many of the turbines.
- {2} We have resided and have been taxed on this property for over thirty years.
- {3} The SEC granted us intervener status in AWE's first docket number 2011-02.

The reasons listed above give more than adequate legal grounds to have direct intervener status in AWE's upcoming proceedings with the Site Evaluation Committee.

Sincerely and Respectfully,

Brenda Schaefer
Mark Schaefer
Nathan Schaefer
