SITE EVALUATION COMMITTEE**

RE: Petition for Jurisdiction of a Renewal Facility
By Antrim Wind Energy, LLC
SEC Docket Number 2014-05

MOTION TO INTERVENE *PRO SE* OF ANNIE LAW AND ROBERT CLELAND

Pursuant to the New Hampshire Site Evaluation Committee Rules Site 202.11, Annie Law and Robert Cleland, hereby move for permission to intervene pro se in the above-referenced proceeding. In support of their Motion to Intervene, Annie Law and Robert Cleland offer the following arguments:

1. Annie Law and Robert Cleland can demonstrate a substantial interest, which may be affected by the outcome of the proceeding. Our home at 43 Farmstead Rd. is directly in the view shed of AWE's proposed project and we are concerned about what it could potentially do to the habitat of the wild animals and birds that reside on that ridgeline, the value of our home and property, our overall health and the noise disrupting our peaceful environment. We've been paying property taxes in Antrim for 27 years now.
2. The interest of Annie Law and Robert Cleland will not be adequately protected by other parties. In exercising its discretion, we respectfully ask that the Committee consider whether our interest will be adequately protected by other parties. Since we, as residents of the North Branch region of Antrim, where the proposed wind facility would be constructed, are concerned that our interests have not been fairly addressed thus far by the Town Boards of Antrim, we do not believe that any other party to this proceeding can adequately represent our interests in proceedings before the Committee.
3. The intervention of Annie Law and Robert Cleland will be in the interest of justice and will not impair the orderly and prompt conduct of the proceedings by allowing the intervention. We petitioned for and were granted intervener status in Antrim Wind Energy, LLC's prior cases before the Committee (SEC Dockets 2011-02 and 2012-01) and as such understand and respect the hearing process.

Pursuant to the SEC Order of December 30, 2014, Annie Law and Robert Cleland file this Motion to Intervene by the deadline set forth by the Committee for Docket 2014-05 and request that we be permitted to intervene with full standing to participate in all phases and activities of the proceeding. We respect the importance of conducting this proceeding in an orderly manner that will not unduly delay the

Committee or the parties in reaching an outcome. We are prepared to work closely with other parties to the proceeding in the interest of maintaining order and we respectfully offer that our participation, if permitted, would be in the interest of justice.

Dated this 21st day of January, 2015.

Respectfully submitted,

Annie Law and Robert Cleland
