SITE EVALUATION COMMITTEE**

RE: Petition for Jurisdiction of a Renewal Facility     )  
By Antrim Wind Energy, LLC                                 )  
SEC Docket Number 2014-05                                 )

**MOTION TO INTERVENE *PRO SE* OF LORANNE CAREY BLOCK AND RICHARD BLOCK**

Pursuant to the New Hampshire Site Evaluation Committee Rules Site 202.11, Lorraine Carey Block and Richard Block hereby move for permission to intervene *pro se* in the above-referenced proceeding. In support of their Motion to Intervene, Lorraine Carey Block and Richard Block offer the following arguments:

**(1.) Lorraine Carey Block and Richard Block can demonstrate a substantial interest which may be affected by the outcome of the proceeding.**

Lorraine Carey Block and Richard Block have been residents and voters of Antrim since 1988. They own and reside on approximately 242 acres of property on Loveren Mill Road, from one-half to one-and-a-half miles from and directly facing and in full view of Tuttle Hill, the site of the proposed Antrim Wind Energy, LLC turbines. Concern for the potential noise, visual disturbance, and negative effect on their property value has caused Lorraine Carey Block and Richard Block to actively participate and oppose this proposed project from the beginning, as litigants and intervenors in several Superior Court cases against the Town of Antrim and as approved intervenors and Committee-designated spokespersons in both prior SEC proceedings relating to Antrim Wind Energy, LLC (Dockets 2011-02 and 2012-01).

**(2.) The interest of Lorraine Carey Block and Richard Block will not be adequately protected by other parties.**

In exercising its discretion, Lorraine Carey Block and Richard Block respectfully ask that the Committee consider whether the parties' interest will be adequately protected by other parties. Since they, as residents of the North Branch region of Antrim where the proposed wind facility would be constructed, are concerned that their interests have not been fairly addressed thus far by the Town Boards of Antrim, they do not believe that any other party to this proceeding can adequately represent their interests in proceedings before the Committee.

**(3.) The intervention of Lorraine Carey Block and Richard Block will be in the interest of justice and will not impair the orderly and prompt conduct of the proceedings by allowing the intervention.**

Lorraine Carey Block and Richard Block petitioned for and were granted Intervenor status in Antrim Wind Energy, LLC's prior cases before the Committee (SEC Dockets 2011-02 and 2012-01). They were designated by the Committee to serve as Spokespersons for a group of Intervenor in both of those proceedings, and as such, understand and respect the hearing process.

Pursuant to the SEC Order of December 30, 2014, Lorraine Carey Block and Richard Block file this Motion to Intervene by the deadline set forth by the Committee for Docket 2014-05 and request that they be permitted to intervene with full standing to participate in all phases and activities of the proceeding. They respect the importance of conducting this proceeding in an orderly manner that will not unduly delay the Committee or the parties in reaching an outcome. They are prepared to work closely with other parties to the proceeding in the interest of maintaining order and respectfully offer that their participation, if permitted, would be in the interest of justice.

Dated this 22nd day of January, 2015.

Respectfully submitted,
