Mr. Martin Honigberg
Chairman, SEC
Public Utilities Commission
21 South Fruit Street, Suite 10
Concord, NH 03301

Dear Mr. Honigberg,

My understanding is that Sea-3 has requested an exemption from undergoing an application and full review by the New Hampshire Site Evaluation Committee of its proposal for expansion of its propane facility.

I represent the city of Dover, Ward 1. I am in full support of my city's objection to granting the requested exemption. The statutory requirement for application and full review by the NH SEC is in place to involve the public and protect the public interest.

I urge you to see that the request for exemption by Sea-3 is denied.

Sincerely,

A handwritten signature in blue ink that reads "James Verschueren".
