DOCKET No. 2015-02

Re: Antrim Wind Energy, LLC

PETITION FOR INTERVENTION BY
BRENDA SCHAEFER, MARK SCHAEFER and NATHAN SCHAEFER

Pursuant to New Hampshire Site Evaluation Rules Site 202.11, Brenda Schaefer, Mark Schaefer and Nathan Schaefer hereby move for permission to intervene in the above referenced proceeding. In support of our request we submit the following arguments:

- {1} Our property, 128 Salmon Brook Road, has a shared boundary with AWE's proposed project. We are direct abutters and will have close physical and visual contact with many of the turbines.
- {2} We have resided and paid property taxes on this property for over 30 years.
- {3} The SEC granted us intervener status in AWE's past dockets.

The reasons listed above give more than adequate legal grounds to have direct intervener status in AWE's upcoming proceedings with the Site Evaluation Committee.

Sincerely and Respectively,

Brenda Schaefer
