**In Case No. 2017-0313, Appeal of Mary Allen & a.; Appeal of Fred Ward, the court on June 20, 2018, issued the following order:**

Supreme Court Rule 22(2) provides that a party filing a motion for rehearing or reconsideration shall state with particularity the points of law or fact that he or she claims the court has overlooked or misapprehended.

We have reviewed the claims made in the motions for reconsideration filed by the petitioners and conclude that no points of law or fact were overlooked or misapprehended in our decision. Accordingly, upon reconsideration, we affirm our May 11, 2018 decision and deny the relief requested in the motions.

Reconsideration denied.

Lynn, C.J., and Hicks and Hantz Marconi, JJ., concurred.
