February 17, 2016

The Honorable Maggie Hassan  
Office of the Governor  
State House  
107 North Main Street  
Concord, NH 03301

Dear Governor Hassan:

I am writing to express my support for the proposed Antrim Wind Energy project that is in the jurisdiction of the Site Evaluation Committee at this time.

As has been publicly reported, the 9-turbine wind farm will have a positive \$53.5 million dollar economic development impact on southern New Hampshire and generate millions in new revenue to benefit New Hampshire schools. The project enjoys the unanimous support of the Antrim Select Board and will generate enough emissions-free electricity to power 12,000 New Hampshire homes.

I believe that the Antrim Wind Energy project is an important part of New Hampshire's 21<sup>st</sup> century energy mix and I hope that you will consider supporting the project.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerry Little".

State Senator Jerry Little  
Senate District 8  
State House, Room 105-A
