Re: Eversource Seacoast; NH Site Evaluation Committee Docket No. 2015-04 (DHR RPR # 6528)

Dear Ms. Monroe:

The New Hampshire Division of Historical Resources (DHR) requests an extension to provide final comment on the above-referenced Docket. Extensive public comment and the need for the DHR to conduct an onsite visit to evaluate some archaeological (cellar hole) locations in Durham and assess the proximity of other resources to the project make it necessary to request the extension. In addition, weather conditions and ground cover have caused delay scheduling the onsite visit for visibility reasons.

The DHR respectfully requests an extension until March 31, 2017.

Sincerely,

Nadine Miller  
Preservation Project Reviewer
