Re: SEC Docket No. 15-04

Your Response to August 1, 2017 Letter from DES to the Site Evaluation Committee

Dear Mr. Patch:

Pamela Monroe, Administrator of the New Hampshire Site Evaluation Committee has forwarded your correspondence of August 3, 2017, to me, as counsel to the Site Evaluation Committee, for response.

Your letter contains two requests. Your first request is for your clients to receive copies of information filed with the Department of Environmental Services (DES). Traditionally, such documents have been provided to all parties involved in Site Evaluation Committee proceedings. I do not see any reason why the Applicant in this case would not provide you with copies of the documents and information filed with DES.

Your second request pertains to meetings with representatives of DES. The scheduling of meetings by DES and the conduct of those meetings is wholly within the authority of DES. The Site Evaluation Committee will defer to that agency to respond to your request to attend meetings.

I hope this letter fully responds to your inquiry. Should you have any further questions please feel free to contact me.

Very truly yours,

Michael J. Iacopino
