***Re: SEC Docket No. 15-04, Application of Public Service Company of New Hampshire
d/b/a Eversource Energy for a Certificate of Site And Facility for the Construction of a
New 115 kV Transmission Line from Madbury Substation to Portsmouth Substation –
Estimate of Cross Examination for Robert Andrew***

Dear Ms. Monroe:

I am writing to advise that I need to increase the estimate for the time I plan to take to cross examine Robert Andrew, now scheduled to testify on September 17, 2018. My current estimate is 30 minutes, as opposed to the 15 minutes estimate I provided during the prehearing conference. This increase is due to the fact when I asked both Mr. Quinlan and Mr. Bowes certain questions they recommended asking Mr. Andrew.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance.

Sincerely,

Douglas L. Patch
