***Re: SEC Docket No. 15-04, Application of Public Service Company of New Hampshire
d/b/a Eversource Energy for a Certificate of Site And Facility for the Construction of a
New 115 kV Transmission Line from Madbury Substation to Portsmouth Substation –
Estimate of Cross Examination for Robert Varney***

Dear Ms. Monroe:

On behalf of Durham and UNH I am writing to advise that I need to increase the estimate for the time I plan to use to cross examine Robert Varney, now scheduled to testify on September 20, 2018. My current estimate is 40 minutes, as opposed to the 20 minutes estimate I provided during the prehearing conference.

If you have any questions, please do not hesitate to contact me.

Thank you for your assistance.

Sincerely,

Douglas L. Patch
