Docket No. 2015-04

**Application of Public Service Company of New Hampshire
d/b/a Eversource Energy for Certificate of Site and Facility**

December 15, 2016

ORDER ON MOTION TO POSTPONE PROCEDURAL SCHEDULE

On December 15, 2016, the Town of Durham and the University of New Hampshire (Durham/UNH) filed a partially assented to Motion to Postpone the Procedural Schedule.

Technical sessions were scheduled to occur in this docket on December 19 and 21, 2016.

Based on the discovery received to date, Durham/UNH has determined that it needs additional time to employ an expert to review the environmental information concerning the Great Bay sediment dispersal report file by the Applicant on December 1, 2016. All but one of the parties in this docket assent to the postponement¹. Counsel for Durham/UNH represents that all parties who assent to the postponement agree to meet on December 19, 2016 at 10:00 a.m., to discuss a revised procedural schedule. According to Durham/UNH a stipulation to a revised procedural schedule or, if the parties cannot agree, separate proposals will be filed with the Subcommittee by December 23, 2016.

The Motion to Postpone the Procedural Schedule will help to assure the prompt and orderly disposition of the proceedings in this docket. Therefore the Motion is granted.

It is hereby ordered, that the technical sessions scheduled for December 19 and 21, 2016, are hereby postponed;

¹ Counsel for Durham/UNH was unable to contact a representative of Fat Dog Shellfish LLC.

It is hereby further ordered, that the parties and the Administrator shall meet on December 19, 2016 at 10:00 a.m., at the office of the Public Utilities Commission, 21 South Fruit St., Concord, NH, to discuss a revised procedural schedule; and

It is hereby further ordered, that the parties shall file a stipulation to a revised procedural schedule on or before December 23, 2016; if an agreement cannot be reached, then the parties shall file separate proposed revised procedural schedules on or before December 23, 2016.

SO ORDERED this fifteenth day of December, 2016.

Robert R. Scott, Presiding Officer
NH Site Evaluation Committee
