SITE EVALUATION COMMITTEE**

Docket No. 2015-04

**Application of Public Service Company of New Hampshire
d/b/a Eversource Energy for Certificate of Site and Facility**

July 5, 2018

TECHNICAL SESSION AGENDA

Consistent with the Revised Procedural Order issued on May 31, 2018, and the Order on Pending Motion issued on June 8, 2018, a technical session is scheduled in this docket on **July 10, 2018**. The technical session will be held at the office of the Public Utilities Commission, **21 South Fruit Street, Concord, NH**.

This agenda is provided in order to ensure an efficient process, but each witness or panel of witnesses may take more or less time than estimated. **All of the witnesses should plan to be available at 9:00 a.m.**¹ Due to the timing of the submittals and the schedule for the technical session some of the parties were away and unavailable to provide time estimates.

1. Schedule of Witnesses.

2. Order of Inquiry and Process. For the Applicant’s witnesses, the order of inquiry for each panel will begin with Counsel for the Public, followed by the Intervenors. For all other witnesses, the order of inquiry will begin with the Applicant. Once the Applicant has completed its questions, Counsel for the Public and the Intervenors will be allowed to ask additional questions; however, repetitive questions will not be allowed.

The purpose of the technical session is to exchange information. It is an informal opportunity for the parties to ask questions of the witnesses who have pre-filed testimony in this matter. Inquiries shall be in the form of a question and shall not be argumentative. If a proper question or inquiry cannot be answered at the time of the technical session, the Administrator will note the data request, and will issue a written report with a date by which the information must be provided in writing. The answers are to be distributed to the “Parties Only” distribution list prepared by the Administrator and *shall not be copied to the Committee*.

3. Mediation of Disputes. Counsel for the Committee and the Administrator will mediate any disputes regarding inquiries and requests for information and will maintain a list of documents or additional answers requested by the parties. To the extent that any party is aggrieved by the handling of any inquiry, question or document request, that party shall file an appropriate motion for discovery, objection to discovery, or motion for a protective order. All motions and/or objections shall be directed to the Presiding Officer and shall comply with the Committee’s Procedural Rules and the Procedural Order issued in this docket.
