**Re: SEC Docket No. 2015-04: Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) for a New 115k Transmission Line from Madbury Substation to Portsmouth Substation
Eversource’s Transmittal of Ground Penetrating Radar Survey Results**

Dear Ms. Monroe:

In accordance with Eversource’s commitment in the October 26, 2018 Memorandum of Understanding executed between the Town of Durham, New Hampshire and Eversource to “conduct a ground penetrating radar survey of the Samuel Hill family burial site described in the 1913 town history to avoid digging up the 18th century graves by the Field House from Main Street to Station 82+00 within the right-of-way,” App. Ex. 270 ¶ VIII, D, Eversource hereby notifies you that it has completed the required survey. By way of this submittal, Eversource also provides the Site Evaluation Committee with a Confidential copy of the report titled *Seacoast Reliability Project – Ground Penetrating Radar Survey – Underground Route Main Street, Durham, NH – Addendum to: April 2015 Seacoast Reliability Project Results of Phase I-A Preliminary Archeological Survey Madbury, Durham, Newington, and Portsmouth, NH (January 2019)*.

The report contains confidential information and is not for public release in accordance with the Presiding Officer’s Orders on the Applicant’s Motions for Protective Order and Confidentiality Treatment from December 22, 2016, December 4, 2017, August 7, 2018, November 9, 2018. To the extent any party wishes to review survey report, they should do so in accordance with the procedures outlined in the Presiding Officer’s December 22, 2016 *Order on Motion for Protective Order and Confidential Treatment*.

Please contact me directly should you have any questions.

Sincerely,
