Re: Eversource Seacoast Reliability Project – Newington Historic Sites Mitigation

---

Dear Ms. Roy-

In compliance with the State of New Hampshire Site Evaluation Committee's (SEC) *Order and Certificate of Site and Facility with Conditions* for the Seacoast Reliability Project (Project), Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource Energy) has issued a check for twenty thousand dollars (USD \$20,000.00) to the Town of Newington, New Hampshire (Town) to be used to mitigate the Project's impacts to historic sites in Newington. Please accept the enclosed check as full payment.

Given that the remaining conditions regarding the distribution of these monies will be performed by the Town and the New Hampshire Division of Historical Resources (DHR RPR# 6528), Eversource Energy considers its obligations for this task complete upon receipt of this letter.

Sincerely,

Brooke Kenline-Nyman  
Cultural Resources Specialist
