Subject: Eversource Meeting October 11, 2018

Dear Ms. Monroe,

My name is Mary Margaret Jaques and I serve on the Board of the Durham Historic Association. My E-Mail address is pinesthouse@mac.com and I am a long time resident of Durham being brought up in town and attending local schools and graduating from the University of New Hampshire. I have seen many changes to our little town in recent years - many changes that are upsetting and of great concern to our quality of life in a small town. I wish to state my position as opposed to the Eversource proposal particularly to the jet plowing of Great Bay and the introduction of inappropriate tall metal poles to carry electric lines. I do plan to attend the meeting.
