Re: SEC Docket No. 2015-05: Public Service Company of New Hampshire d/b/a Eversource Energy and New England Power Company d/b/a National Grid: Joint Application for a Certificate of Site and Facility for the Merrimack Valley Reliability Project

Dear Ms. Monroe:

On behalf of Public Service Company of New Hampshire d/b/a Eversource Energy ("PSNH") and New England Power Company d/b/a National Grid ("NEP"), I have reviewed the readopted Site Rules and, in order to comply with the new rules, PSNH and NEP intend to submit all supplemental information by February 23, 2016 so as not to extend or otherwise upset the potential discovery schedule or necessitate the need to alter or extend the prescribed schedule for the Committee to process the application.

Please do not hesitate to contact me with any questions.

Sincerely,
