MOTION PERTAINING TO MEDICAL RECORDS
INTERVENOR'S RESPONSE TO APPLICANT

On this 3rd day of May, 2016, the applicants through their attorneys have filed a response to my MOTION PERTAINING TO MEDICAL RECORDS.

While I understand their need to see certain medical records to support my assertions, I reaffirm my motion for the restrictions that I have requested. Medical records have certain automatic protection by law. The email list used by the applicants' attorneys to forward their response to my motion is a perfect example the risk that my medical records will be placed into the wrong hands.

I plan on providing a physical copy of medical records pertinent to my assertions at the technical session on May 5th, 2016.

Respectfully,

Margaret Huard
