The enclosed materials are now available and the Applicants are providing them to the Committee for their review on an *in camera* basis as these materials contain CEII and are not available for the public to review. The Applicants, therefore, respectfully request that the Committee treat these documents with the same confidential protection as afforded pursuant to the Presiding Officer's Order dated November 19, 2015.

Please contact me directly should you have any questions.

Sincerely,

Barry Needleman
