**Re: Joint Application of Northern Pass Transmission, LLC  
and Public Service Company of New Hampshire d/b/a Eversource Energy for a Certificate  
of Site and Facility, Site Evaluation Committee Docket No. 2015-06**

Dear Attorney Needleman:

Effective December 16, 2015, the Site Evaluation Committee readopted with amendments the NH CODE OF ADMIN. RULES Site 100, Site 200, and Site 300. RSA 162-H:10, VII provides that if the adopted rules require the submission of additional information by an applicant, that the applicant shall be afforded a reasonable opportunity to provide that information while the processing of the application continues.

By way of this letter, I am requesting that the applicant review the rules and the application that was submitted in the above referenced docket and respond in writing no later than **January 22, 2016**, as to whether any additional information is required in order to comply with the rules and the amount of time you will need to supplement the application, if any.

If you have any questions, I can be reached at 271-2435.

Sincerely,

Pamela G. Monroe  
Administrator  
Site Evaluation Committee
