Re: Consultation with NHDHR

Dear Mr. Bisbee,

This letter is in regard to the Memorandum of Understanding mutually agreed upon and signed by this office and Northern Pass Transmission. One of the key agreements made by NPT was to establish and maintain consultation with the NHDHR. This included monthly reports to the NHDHR and NPT's commitment to retain or identify an internal employee who met certain qualifications to work directly with our office. To date we have not received a report nor have we had any communications regarding a quarterly meeting or the cultural resources professional tasked to work directly with the NHDHR.

Please consider this to be a formal request for the report, to set a date for the quarterly meeting and progress on identifying a cultural resources point of contact at NPT to coordinate with the NHDHR.

I look forward to hearing from you.

Sincerely,

Richard A. Boisvert
Deputy State Historic Preservation Officer
