

RE: REQUEST FOR RECONSIDERATION TO THE ORDER ON PETITIONS TO INTERVENE

Docket No. 2015-06

Joint Application of Northern Pass Transmission LLC and Public Service Company of New Hampshire
d/b/a Eversource Energy for a Certificate of Site and Facility March 18, 2016 ORDER ON PETITIONS TO
INTERVENE

Dear Ms. Monroe,

New Hampshire State Representative Laurence M. Rappaport seeks to be a full intervenor to the current application by Northern Pass Transmission and therefore requests reconsideration by the full subcommittee since having been denied. The reasons are:

1. I have been directly involved with this project for over EIGHT years.
2. You claim legislators need not apply yet you granted intervenor status to Rick Samson and the Grafton County Commissioners, all of whom are legislators.
3. I represent town in Coos County which contain applicant's proposed route and will suffer alleged hardship.
4. I am currently involved in real estate transactions which have been directly and adversely affected by this project.

I respectfully request that SEC reconsider the Order and grant Laurence M. Rappaport my own status as intervenor with the right to fully participate in the questioning of the applicant.

Thank you for your consideration.

This letter has been sent electronically and by first class mail.

Sincerely yours

—

Laurence M. Rappaport
NH State Representative
Coos District One
