

Dear Ms. Monroe;

I am the duly appointed spokesperson for the intervenor group designated in the subject Order as the Abutting Property Owners Bethlehem - Plymouth (hereafter referred to as the "Middle Abutters"), and am filing this request on behalf of this intervenor group.

The Middle Abutters group hereby requests that SEC review the intervenor grouping portion of the subject order. Specifically, the Middle Abutters group requests that the sole member of the Middle Abutters group from Plymouth, Mr. Bruce Ahern, be removed from this group, and be granted single intervenor status. Mr. Ahern has filed a request with SEC to be removed from the Middle Abutters group, and we support Mr. Ahern's request.

The basis for this request is that Mr. Ahern has interests that are very specific and unique, and different from the interests of the remaining members of the Middle Abutters group. If Mr. Ahern were to be forced to work within the Middle Abutter's group, his ability, and the ability of the rest of the Middle Abutters group, to protect our different interests would be greatly restricted, and we would thereby be denied due process in the docket.

We thank the SEC for its consideration of this request.

This request is being forwarded by email to the current docket distribution list.

Sincerely,

Walter Palmer
