**RE: APPLICATION OF NORTHERN PASS NORTHERN PASS
TRANSMISSION, LLC and PUBLIC SERVICE COMPANY OF NEW
HAMPSHIRE d/b/a EVERSOURCE ENERGY Docket No. 2015-06
September 14, 2016 Technical Session Data Requests**

Dear Ms. Monroe,

In reading over your September 15 Memorandum Re: Technical Session Date Requests, I've noticed that one request of mine was not mentioned.

I believe it was Nathan Scott who related to experiences he had in Calgary, Canada, with underground cable installation under a dirt road.

He was to get me the name of the project, the location in Calgary, the amount of electricity being transported underground, and the name of the present road agent.

Please contact me with any questions.

Sincerely,

Bradley J. Thompson
