Re: Spokesperson for Municipal Group 1

Docket No. 2015-06

Dear MS Monroe,

Due to a recent health issue concerning Mr. Steve Ellis, the Select Boards of Pittsburg, Clarksville and Stewartstown have asked me to replace Mr. Ellis. Mr. Ellis is the current spokesperson for Municipal Group 1. As a member of Municipal Group 1 I have agreed to accept that request.

All three boards have voted and asked me to become their spokesperson. I am at this time respectfully requesting that the Site Evaluation Committee allow me to replace Mr. Steve Ellis in this important position due to Mr. Ellis's ongoing health condition.

Are there any other conditions or requirements that I need to fulfill due to this request?

Thank you for any assistance that you may offer concerning this request.

Respectfully Submitted,

Richard "Rick" Samson

Coos County Commissioner

District Three
