Docket No. 2015-06

TO: All Parties

FROM: Pamela G. Monroe, Administrator

DATE: February 21, 2017

RE: Technical Session Data Requests

A technical session was held on February 17, 2017, in the above referenced docket. The purpose of the technical sessions is for the parties to inquire of the witnesses for Counsel for the Public and the Intervenors as to their expertise, opinions, and pre-filed testimony. The parties that were present during all or part of the technical sessions on these dates are listed on the sign-in sheets that are attached to this memorandum.

At the conclusion of the technical sessions, the following data requests to the Counsel for the Public remain outstanding:

Feb. 17-Counsel for the Public-Patricia O'Donnell –Heritage Landscapes, LLC

1. The specific list of projects that Ms. O'Donnell has worked on where she used the same methodology that she used in the Northern Pass analysis. (Previously requested by the Applicant in data request CFP II.1).
2. The list of participants (sign-in sheets) that attended the community meetings.
3. The community worksheet maps for the 22 towns listed on the attached sheet, listed as Data Request #3.
4. A copy of the code key for the spreadsheet that contains the community worksheet input form data.
5. A list of the resources on the spreadsheet referenced in 4. above, that are designated as historic and those that are designated historic/scenic.

The foregoing shall be provided to all of the parties on or before March 3, 2017. Copies shall not be provided to the Committee. To the extent that the Intervenor objects to providing the above referenced material, the requesting party must file a Motion to Compel with the Committee.

Any questions regarding this memorandum or the data requests made at the technical session should be directed to Pamela Monroe, Administrator.
