**Re: Site Evaluation Committee Docket No. 2015-06  
Joint Application of Northern Pass Transmission LLC and Public Service Company  
of New Hampshire d/b/a Eversource Energy (the “Applicants”) for a Certificate of  
Site and Facility  
Motion for Clarification of Site 301.08 (d) (2) (b)--Positions of Parties**

Dear Ms. Monroe:

As a result of an email system error, the Applicants’ request for positions on their Motion for Clarification of Site 301.08 (d) (2) (b) did not reach the spokespersons. As a consequence, in the body of the Motion it was reported that no responses were received to the request for positions. The error was corrected and the Applicants have since been notified that the following parties object to the Motion: Society for Protection of New Hampshire Forests; Towns of Bethlehem, Bristol, Easton, Franconia, Northumberland, Plymouth, Sugar Hill, and Whitefield; Municipal Group 3; Deerfield Abutters; New England Power Generators Association; Southern Non-Abutters, Ashland to Deerfield; Group 1 North, Pittsburg, Clarksville, Stewartstown; Dummer, Stark and Northumberland; Grafton County Commissioners; and, Stark to Bethlehem Non-Abutters. In addition, Counsel for the Public takes no position.

Please contact me directly should you have any questions.

Sincerely,

Thomas B. Getz
