RE: LETTER OF PROTEST

Dear Ms. Monroe:

We write this letter in PROTEST to the “Report of Prehearing Conference” distributed by email by your office April 11, 2017 at 10:51 AM.

We were present for the Prehearing Conference on April 4, 2017 and made copious notes regarding the future procedural requirements. At that Conference it was stated that 8 paper copies of the Exhibits List would be required. A clarification would be provided regarding electronic provisions of the Exhibits List.

The Report this morning changes the requirement for the number of paper copies and changes the BILODEAU 18 notation to BILODEAU 21.

This protest is grounded in the action taken this morning in hand delivering 8 paper copies, to your attention, to your office at 21 South Fruit Street, Concord NH.

Thank you for your consideration in this matter. Please contact me if you have any questions.

Respectfully Submitted,

Philip Bilodeau
