**RE: New Hampshire Site Evaluation Committee Docket No. 2015-06
Joint Application of Northern Pass Transmission, LLC and
Public Service Company of New Hampshire d/b/a Eversource
Energy for a Certificate of Site and Facility for Construction of
a New High Voltage Transmission Line in New Hampshire**

Dear Ms. Monroe:

As a courtesy to the Committee, I am writing to inform you that I will be out of the country from October 7th to the 17th. Track three adjudicative hearings dates scheduled during that time fall on October 11th, 12th, and 16th. We are doing our best to coordinate with Counsel for the Public and intervenors to ensure that this will not conflict with the scheduling of witnesses on the topics I am covering for the Society for the Protection of New Hampshire Forests, i.e., historic resources and aesthetics, but we may need to go out of order in questioning if, for example, Counsel for the Public's aesthetics panel comes up during those dates.

If you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

Elizabeth A. Boepple, Esq.
