**RE: New Hampshire Site Evaluation Committee Docket No. 2015-06
Joint Application of Northern Pass Transmission, LLC and
Public Service Company of New Hampshire d/b/a Eversource
Energy for a Certificate of Site and Facility for Construction of
a New High Voltage Transmission Line in New Hampshire**

Dear Ms. Monroe:

As a courtesy to the Committee, I am writing to inform you of two conflicts Attorney Jason Reimers and I have on adjudicative hearing days for Counsel for the Public witnesses.

I have a previously scheduled superior court trial on October 23rd and I am the attorney representing the Forest Society for Counsel for the Public's construction panel now scheduled on October 23rd.

Attorney Reimers has a previously scheduled land use hearing on October 26th and he is the attorney representing the Forest Society for the Counsel for the Public's market economics panel slated to begin the afternoon of October 26th.

We will do our best to coordinate with parties to ensure that this will not conflict with the scheduling of witnesses, but we may need to go out of order in questioning, and possibly we may need to request changes to the schedule.

If you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

Amy Manzelli, Esq.
